

TECHNICAL DATA SHEET

OLI-PUR Thinner V15

Thinner for solvent-based paint and stain systems, and for cleaning tools

Product range				
OLI-PUR Thinner V15	Quantity per pack	1 x 5L	2 x 5L	1 x 30L
	A01975			

Scope of application

- Thinner for solvent-based paint systems, such as 1- and 2-component acrylic paints, as well as paints based on polyurethane resins (PU, PUR, DD).
- Thinning or colour matching of solvent-based wood stains OLI-Beize Brillant and OLI-Beize Rustikal
- Cleaning of tools
- For professional applicators

Properties

- Aromatic-free
- Effective cleaning action
- Promotes venting on coarse-pored woods and minimises blistering
- Colourless

Application instructions / Storage	▪ Optimal application conditions at 20 °C and 50% relative humidity ▪ Please refer to the technical data sheet for the paint or stain component for details on application ▪ Store in a dry but cool place. Seal opened containers tightly. Flammable! Store containers in a well-ventilated area and use only in well-ventilated areas. ▪ Always add thinner whilst stirring slowly. For 2-component systems, always dilute only after the hardener has been added. ▪ Important: Always check compatibility when using third-party products	
Shelf life	▪ 36 months in the original, sealed container. Do not store or transport at temperatures above +30°C.	
Safety	Labelling and safety instructions can be found in the safety data sheet at www.oli-lacke.de .	

Our application recommendations, whether verbal or in writing, are provided for guidance only and are not binding. They are based on our experience and the current state of practical knowledge. They do not relieve the applicator of the responsibility to test our products themselves, at their own risk, to ensure they are suitable for the intended purpose.
